Cold Stabilized: No

Lees stirring: No

Alcohol: 13.7%

pH: 3.77

T.A.: 5.7 g/L

Residual Sugar: 0.9 g/L

Cellaring Temperature: 13° C / 55° F

Optimum Serving Temp: 13°-15° C / 55°-60° F

Decanting & Aeration: To Taste

Tasting Notes:

A very fine blend of five of the classic Bordeaux varietals. This wine is about finesse, delicacy and length. Bright aromas of red and black berries with a delicate herbaceousness. Bright red fruit intermingles with a subtle toastiness and a very long finish. Fresh acidity allows this as a perfect patio wine with a slight chill in summer, lush and brooding enough for a fireplace winter warmer.

Food Pairing:

The flavour profile of The Chase appeals to a wide range of tastes, is exceptionally food friendly and a perfect choice for entertaining a crowd. Grilled meats, herbed portobello mushrooms, pastas, pizza, even grilled cheese sandwiches!

Vintage Report:

In 2016, the vegetation period started with hot spring weather and bud break two weeks earlier than the average, but a cooler than usual summer slowed things down. September turned out with cool nights but sunny days. This weather continued through until the end of October with occasional short showers, increasing as we reached the end of the month. A frost event on October 10th and 11th just missed our vineyards on the elevated Golden Mile Bench.
